

HOPE STUDENTS

TRIP SCHOLARSHIP APPLICATION

We never want finances to be an issue when considering coming to a Hope Students Event, therefore please apply if you have a need.

Note: Scholarships cannot be received as cash or given directly to an individual. Payment will be paid to the sponsoring organization on your behalf. You will be contacted after application has been processed. Submitting a form is not a guarantee of a full scholarship. Students may only receive one full (100%) scholarship per year. However, families who are able to pay 25% or more are eligible for multiple scholarships per year.
